I was born with something obscure  
A genital problem with only one cure  
My parents decided to keep them intact  
In dreams I'd be in a freak show act

My first job was at the county fair  
People came to point and stare  
They all thought it was a fucking trick  
That I had both a cunt, and a dick

Born with both  
The hermaphrodite

Born my own mate, no use for a date  
Blessed with two, I don't need you

It's time to start a family  
I'll be both mommy and daddy  
I'll bend my cock and stick it in  
I know that it is selfish  
But what I hope to see:  
To see it born special - special just like me

Born with both  
The hermaphrodite
