Looking for a customer to support her fix
Thinking only of the drug when she sucks your dick

\$20 for a rock - For it she'll suck your cock
\$20 for a whore - Aids, herpes, and cold sores
\$20 for a bitch - Two days later your dick will itch
\$20 for a sleaze - Infested with disease

She started when she was 15
Now she's 34
How many diseases plague this filthy fucking whore

\$20 for a rock - For it she'll suck your cock
\$20 for a whore - Aids, herpes, and cold sores
\$20 for a bitch - Two days later your dick will itch
\$20 for a sleaze - Infested with disease

Smelling like a sewer, looking like she's dead
Knocking on my window, asking me if I want head
Three teeth in her mouth, scars on her face
Sucking cock for \$20, what a fucked disgrace

\$20 for a rock - For it she'll suck your cock
\$20 for a bitch - Two days later your dick will itch
\$20 for a sleaze - Infested with disease
