I want a new drug  
One that won't make me sick  
One that won' make me crash my car  
Or make me feel three feet thick

I want a new drug  
One that won't hurt my head  
One that won't make my mouth too dry  
Or make my eyes too red

One that won't make me nervous  
Wondering what to do  
One that makes me feel like I feel when I'm with you  
When I'm alone with you

I want a new drug  
One that won't spill  
One that don't cost too much  
Or come in a pill

I want a new drug  
One that won't go away  
One that won't keep me up all night  
One that won't make me sleep all day

One that won't make me nervous  
Wondering what to do  
One that makes me feel like I feel when I'm with you  
When I'm alone with you  
I'm alone with you baby

I want a new drug  
One that does what it should  
One that won't make me feel too bad  
One that won't make me feel too good

I want a new drug  
One with no doubt  
One that won't make me talk too much  
Or make my face break out

One that won't make me nervous  
Wondering what to do  
One that makes me feel like I feel when I'm with you  
When I'm alone with you
