I want a new drug

One that won't make me sick

One that won' make me crash my car

Or make me feel three feet thick

I want a new drug

One that won't hurt my head

One that won't make my mouth too dry

Or make my eyes too red

One that won't make me nervous

Wondering what to do

One that makes me feel like I feel when I'm with you

When I'm alone with you

I want a new drug

One that won't spill

One that don't cost too much

Or come in a pill

I want a new drug

One that won't go away

One that won't keep me up all night

One that won't make me sleep all day

One that won't make me nervous

Wondering what to do

One that makes me feel like I feel when I'm with you

When I'm alone with you

I'm alone with you baby

I want a new drug

One that does what it should

One that won't make me feel too bad

One that won't make me feel too good

I want a new drug

One with no doubt

One that won't make me talk too much

Or make my face break out

One that won't make me nervous

Wondering what to do

One that makes me feel like I feel when I'm with you

When I'm alone with you
