Well I feel alright when it comes daylight  
But when it comes the night  
I am only lonely, I am only lonely

And if it doesn't feel right  
When I hold you tight, oh baby it's alright  
I am only lonely, I am only lonely

Oh, baby wonder if we could get involved  
Oh, baby wonder if we could get involved

And if it doesn't feel right  
When I hold you tight, oh baby it's alright  
I am only lonely, I am only lonely

Oh, baby wonder if we could get involved  
Oh, baby wonder if we could get involved

He said "Come on baby, not on the first date"  
So I said "Okay baby, how long must I wait?"

Well I feel alright when it comes daylight  
But when it comes the night  
I am only lonely, I am only lonely

And if it doesn't feel right  
When I hold you tight, oh baby it's alright  
I am only lonely, I am only lonely

Oh, baby wonder if we could get involved  
Oh, baby wonder if we could get involved

Oh, baby wonder if we could get involved  
Wonder could we get involved

Wonder could we get involved  
Wonder could we get in
