To my darlin' one in a far off land
I hope and pray this letter finds its way into your hands
We've had no word, we've had no news
Hope this finds you well
I don't want to lose, I don't want to lose you
Fields are green but the pantry's bad
Some other neighbors have been good enough to
share
I can say I'm fine but that's not the truth
I worry all the time
I don't want to lose, I don't want to lose you
Sometimes I dream I am lyin' next to you
And I reach across the bed and wonder
What I'm gonna do
Come home safe, come home soon
Don't you forget
I don't want to lose, I don't want to lose you
I don't want to lose, I don't want to lose you
