Nothing I do will break this spell
I'm walking through a dream
I don't know what's come over me
Lost in a trance like a moth to the flame
Of your eyes (?)
Shines like the sun
The flame of you eyes (?)
Shines like the sun
There's a mist all around me
I wonder if I will ever wake
I don't know what's come over me
Lost in a trance like a moth to the flame
Of your eyes (?)
The flame of your eyes (?)
Shines like the sun
Please say the words
That I long to hear
And let me know
That you will be mine
Nothing I do will break this spell I'm walking through a
dream
I don't know what's come over me
Lost in a trance like a moth to the flame
Of your eyes (?)
Shines like the sun
The flame of your eyes (?)
Shines like the sun
The flame of your eyes (?)
Shines like the sun
