lately anything is possible
bit chances are getting on my nerves
though your almost always beautiful
i'm not sure that tonights what i deserve

It's alright if you stay here
It's alright if you go
Never been so good to you
It's alright if you stay here
who will win if you go
never been so lost
never gonna be found and i know

though i'm not the prepared for everything
i had no problems with your thorns
past the point of fixing anything
beneath your feet the welcome mat is worn

It's alright if you stay here
It's alright if you go
Never been so good to you
It's alright if you stay here
who will win if you go
never been so lost
never gonna be found and i know

and it all comes down to you
and it all comes down to you
and it all comes down to you

It's alright if you stay here
who will win if you go
Never been so good to you
It's alright if you stay here
i don't want you to go
never been so lost
never gonna be found and i know

I don't want you to go
I don't want you to go
