When it comes crashing down, and it hurts inside
Ya' gotta take a stand, it don't help to hide

If you hurt my friends, can you hurt my pride
I gotta be a man, I can't let it slide
I am a real American
Fight for the rights of every man
I am a real American
Fight for what's right - Fight for your life

Well I'm feeling strong about right and wrong (Ooo
yeah)
And I don't take trouble for very long.
I got somethin' deep inside of me
Courage is the thing that keeps us free

I am a real American
Fight for the rights of every man
I am a real American
Fight for what's right - Fight for your life

I am a real American
Fight for the rights of every man
I am a real American
Fight for what's right - Fight for your life

If you hurt my friends, can you hurt my pride
I gotta be a man, I can't let it slide
I am a real American
Fight for the rights of every man
I am a real American
Fight for what's right - Fight for your life
