Break...[echo]
I'm about to break (to break!)
I need room to breathe... [x3]

I cannot take this anymore
Saying everything i've said before
All these words, they make no sense
I found bliss in ignorance
Less I hear, the less you say
But you'll find that out anyway
I find the answers aren't so clear
Wish i could find a way to disappear
All these thoughts, they make no sense
I found bliss in ignorance
Nothing seems to go away
Over and over again [x6]
Just like before...

Everything you say to me
And I'm about to break!
I need a little room to breathe
I'm about to break!

Everything you say to me
And I'm about to break!
I need a little room to breathe
And I'm about to break!
Break! [echo]

These are the places where I can't feel
Torn from my body, my flesh it heals
During this night we can fall apart

Waiting alone I can not resist
Feeling this hate I have never missed
These are the memories
The reason to rip off my.....face

fighting and roaring,
and roaring

boring [12x]

Shut up when I'm talking to you! Shut up! Shut up! Shut up!
Shut up!

Shut up when I'm talking to you! Shut up! Shut up! Shut up!
Shut up!

Everything you say to me
And I'm about to break
I need a little room to breathe
I'm about to break

Everything you say to me
And I'm about to break
I need a little room to breathe
I'm about to break

Everything you say to me
Takes me one step closer to the edge, and I'm about to
break
I need a little room to breathe
Cause I'm one step closer to the edge, and I'm about to
break
