She said that she was leavin'
I said I don't believe it
She said it, but she-ee

I know that she can't have enough
With the thi-ings that I bought you-ou
That ni-ight

Talk to me, don't talk to me, please...
Talk to me, don't talk to me
Leave me alo-one, oh-oh-oh
Leave me alo-one, oh-oh-oh
Leave me alo-one, oh-oh-oh
Leave me alo-one

I told you anythin' I could
Just to catch you in the mood
Yeah I told you that ni-ight

Now that I've got you where I need
Will you be eternally
Will you do it, will you-ou

Talk to me, don't talk to me, please
Talk to me, don't talk to me
Leave me al-one, oh-oh-oh
Leave me al-one, oh-oh-oh
Leave me al-one, oh-oh-oh
Leave me al-one

Talk to me, don't talk to me, please
Talk to me, don't talk to me
Leave me alo-one, oh-oh-oh
Leave me alo-one, oh-oh-oh
Leave me alo-one, oh-oh-oh
Leave me alo-one
Do you have the decency to go-o-o
