"Don't Stop"

This cursed wall between us
You left me on so needless
The curtains cast, it's seamless
Will you be stopped or pass right through it

And you long to, keep it off you
Dancing often, and towards you
Till you've gone to, bleeding soften
Ones that got you, and so often

I see you off to end this
Were changing Gods' directions
Or kill before be helpless
Love carries on to pass right through it

And you long to, keep it off you
Dancing often, and towards you
Till you've gone to, bleeding soften
Ones that got you, and so often
Don't stop

Don't let your boss catch you, don't stop

Who cares, it's gone, you know
It only happen once
But still, repair, what's lost
Not only happy ones

Oh
