HUGO

Paris, the city of lovers
Is glowing this evening
True, that's because it's on fire
But still, there's "l'amour"
Somewhere out there in the night
Her Heart is also alight
And I know the guy she just might
Be burning for

A guy like you
She's never known, kid
A guy like you
A girl does not meet ev'ry day
You've got a look
That's all your own, kid
Could there be two?

VICTOR AND LAVERNE

Like you?

ALL THREE

No way!

HUGO

Those other guys
That she could dangle
All look the same
From ev'ry boring point of view
You're a surprise
From ev'ry angle
Mon Dieu above
She's gotta love
A guy like you

VICTOR

A guy like you
Gets extra credit
Because it's true
You've got a certain some thing more

HUGO

You're aces, kid

LAVERNE

You see that face

You don't forget it

VICTOR AND LAVERNE

Want something new?

HUGO

That's you

ALL THREE

For sure!

LAVERNE

We all have gaped

At some Adonis

VICTOR

But then we crave a meal

More nourishing to chew

HUGO

And since you've shaped

Like a croissant is

ALL THREE

No question of

She's gotta love

A guy like you!

LAVERNE

Call me a hopeless romantic

But Quasi, I feel it

VICTOR

She wants you so

Any moment she'll walk through that door

ALL THREE

For

HUGO

A guy so swell

With all you bring her

A fool could tell

It's why she fell

For you-know-who

You ring the bell

VICTOR AND LAVERNE

A guy like you

I tell you Quasi

There never was

Another, was he?

From king to serf

To the bourgeoisie

They're all a second-stringer
