I don't know if You can hear me  
Or if You're even there  
I don't know if You would listen  
To a gypsy's prayer  
Yes, I know I'm just an outcast  
I shouldn't speak to you  
Still I see Your face and wonder  
Were You once an outcast too?

God help the outcasts  
Hungry from birth  
Show them the mercy  
They don't find on earth  
The lost and forgotten  
They look to you still  
God help the outcasts  
Or nobody will

I ask for nothing  
I can get by  
But I know so many  
Less lucky than I  
God help the outcasts  
The poor and downtrod  
I thought we all were  
The children of God

I don't know if there's a reason  
Why some are blessed, some not  
Why the few You seem to favor  
They fear us  
Flee us  
Try not to see us

God help the outcasts  
The tattered, the torn  
Seeking an answer  
To why they were born  
Winds of misfortune  
Have blown them about  
You made the outcasts

Don't cast them out  
The poor and unlucky  
The weak and the odd  
I thought they all were The children of God
