Spendin every night in a different state  
Spendin every night with a different date  
I come into town and have a look around  
And then I find a guy who wants to get down

I got boys all over the road  
I got boys helpin me unload

[Chorus]  
Forty boys in forty nights  
I got no time to see the sights

Sometimes I nibble and sometimes I bite  
I kinda sorta wanna get skintite  
Have some now save some for later  
But there's no cute boys in decater

I got boys all over the road  
I got boys helpin me unload  
(Chorus)

Makin out all night in hollywood  
You know I'd do 'em all if I could  
My honey in Stuttgart doesn't care  
That I collect their underwear  
I got boys all over the road  
I got boys helpin me unload

(Chorus)
