Tonight I can't wait
Everyone is gonna be there
We'll be a little late
But no one really cares

It's a party when we start playin'
Come on baby that's what I'm sayin'

Don't try to stop me Freddy
'Cause the nights a never ender
Now I'm drinking steady

Tell your mom I didn't mean to offend her
And if you can't keep up, then you better shut up
'Cause tonight, I'm gonna stay out till 5 o'clock in the
mornin'

Well I really like you
But I just can't talk right now
Sure, I'll sign your shoe
Since you got backstage somehow

It's a party when we start playin'
Come on baby that's what I'm sayin'

Don't try to stop me Freddy
'Cause the nights a never ender
Now I'm drinking steady

Tell your mom I didn't mean to offend her
And if you can't keep up, then you better shut up
'Cause tonight, I'm gonna stay out till 5 o'clock in the
mornin'

It's time for everyone to get out of here
But I think we'll stick around and finish off the beer
Don't get lazy, it's about to get crazy
Just wait till you see what we did with the chandelier

Well there's nothing to eat
But we got a big bottle of liquor
It's a little too sweet

But it always works so much quicker

I get so excited and ready to go
Sweats gonna pour all through the show
Yeah

Don't try to stop me Freddy
'Cause the nights a never ender
Now I'm drinking steady

Tell your mom I didn't mean to offend her
And if you can't keep up, then you better shut up

Don't try to stop me Freddy
'Cause the nights a never ender
Now I'm drinking steady

Tell your mom I didn't mean to offend her
And if you can't keep up, then you better shut up
'Cause tonight I'm gonna stay out till 5 o'clock in the
mornin'
