Going out alone tonight
And I don't even care
I've got an endless appetite
And something's in the air

I'm taking a lead away from you
I know what to do
You don't have to show me how to move

Get out of my way, get out of my life
I'm better off dancing, dancing
And all I want is something new
I'm better off dancing without you

I can't hear a word you say
And I don't even care
I'm throwing all your notes away
Stop me if you dare

I'm taking a lead away from you
I know what to do
You don't have to show me how to move

Get out of my way, get out of my life
I'm better off dancing, dancing
And all I want is something new
I'm better off dancing without you

I don't wanna stop, I can't be controlled
(Can't be controlled)
I'm moving up and you're getting old
(You're getting old)

At the end of the last song
When all the lights come on
And everybody's gone
I'll still be dancing

I'm better off dancing
I'm better off dancing without you
I'm better off dancing
I'm better off dancing without you

Get out of my way, get out of my life
I'm better off dancing, dancing
And all I want is something new
I'm better off dancing without you

Get out of my way, get out of my life
I'm better off dancing
And all I want is something new
I'm better off dancing without you

I'm better without you
I'm dancing without you, yeah
I'm better without you, yeah
