You look like you've only slept for an hour
You smell like you haven't taken a shower
And your hair is so dirty
It makes you look like you're thirty

Your pants are slung way too low
I see stuff I don't wanna know
I wonder why you're so moody?
Is it 'cause you've got no booty?

Baby, please, you must be outta your mind
Do I look like I want your dirty denim?
Listen up, I'm only sayin' this one more time
(One more time)
Can you hear me say, "I don't want your dirty denim"?
(Dirty denim)
(Dirty denim)
(Dirty denim)

I hate to say it, but they're all the same
Thinkin' everybody knows their name
But how can they break my heart
If I can't even tell them apart?

I can tell that you think I'm impressed
But do you think you're gonna get me undressed
'Cause if you do I got bad news
I wasn't winkin' that was just the booze

Baby, please, you must be outta your mind
(Outta your mind)
Do I look like I want your dirty denim?
(Dirty denim)
Listen up, I'm only sayin' this one more time
(One more time)
Can you hear me say, "I don't want your dirty denim"?
(Dirty denim)

I don't want your, I don't need your
I don't want your, I don't need your
You pay two hundred dollars to look like that
You outta check out the laundromat

(Woo hoo)

Baby, please, you must be outta your mind

(Outta your mind)

Do I look like I want your dirty denim?

(Dirty denim)

Listen up, I'm only sayin' this one more time

(One more time)

Can you hear me say, "I don't want your dirty denim"?

(Dirty denim)
