My heart needed a vacation
I had to change the radio station
I just wanted something new
And I needed someone new to do

I caught his eye
He touched my thigh
Guess I'm gonna have to lie

[Chorus]
I've been bad
Don't get me busted
Cause he'll never know
If you don't get me busted

So I went to the corner store
To see if the cute guy worked there anymore
He was busy in the back
So I began to plan my attack

I caught his eye
He touched my thigh
Guess I'm gonna have to lie

(Chorus)

Things didn't go as planned
You saw us kissing by the hot dog stand
Now I don't know what to do
Don't make me have to get ridda you

I caught his eye
He touched my thigh
Guess I'm gonna have to lie

(Chorus 2x)
