Tonight I can't wait

Everyone is gonna be there
We'll be a little late
But no one really cares

It's a party when we start playin'
C'mon baby that's what I'm sayin'

Don't try to stop me Freddy
'Cause tonight's a neverender
Now I'm drinkin' steady
Tell your mom I didn't mean to offend her

And if you can't keep up
Then you better shut up
'Cause tonight I'm gonna stay out 'til 5 o'clock in the
morning

Well I really like you
But I just can't talk right now
Sure I'll sign your shoe
Since you got backstage somehow

It's a party when we start playin'
C'mon baby that's what I'm sayin'

Don't try to stop me Freddy
'Cause tonight's a neverender
Now I'm drinkin' steady
Tell your mom I didn't mean to offend her

And if you can't keep up
Then you better shut up
'Cause tonight I'm gonna stay out 'til 5 o'clock in the
morning

It's time for everyone to get outta here
But I think we'll stick around and finish off the beer
Don't get lazy, it's about to get crazy
Just wait 'til you see what we did with the chandelier

Well there's nothin' to eat
But we got a big bottle of liquor
It's a little too sweet
But it always works so much quicker

I get so excited and ready to go
Sweat's gonna pour all through the show

Don't try to stop me Freddy
'Cause tonight's a neverender
Now I'm drinkin' steady
Tell your mom I didn't mean to offend her

And if you can't keep up
Then you better shut up

Don't try to stop me Freddy
'Cause tonight's a neverender
Now I'm drinkin' steady
Tell your mom I didn't mean to offend her

And if you can't keep up
Then you better shut up
'Cause tonight I'm gonna stay out 'til 5 o'clock in the
morning
