Radio radio. Gimmie gimmie.
Radio radio. Gimmie gimmie.
Radio radio. Gimmie gimmie.
Radio radio. Gimmie gimmie.

Chorus:

Gimmie my radio.
Gimmie my radio.
Gimmie my radio.
Gimmie my radio.

They took away my TV set,
And my cheeba cigarette.
I wanna be like Nikki Corvette, so

Chorus

I don't wanna eat these vegetables.
I don't wanna read this book no more.
I just wanna go to the rock 'n' roll show, so

Chorus

I'm a diva, yeah I know.
Everybody tells me so.
I don't wanna go to school no more, so

Radio radio. Gimmie gimmie.
Radio radio. Gimmie gimmie.
Radio radio. Gimmie gimmie.
Radio radio. Gimmie gimmie.
(repeat and fade)
