G I R L T A L K, the girls talk
G I R L T A L K, the girls talk

You've been talking trash again, oh no
Don't pretend, you're not my friend, oh no

You're up and down the halls
Riding on the walls
Everybody knows it's you
Shut up, show me what you're made of

Don't tell me lies, I'm not surprised
Girls talk, who's talking about me?
You trying hard, but I'm still alive
Girls talk, stop talking about me

G I R L T A L K, the girls talk

I'm not deaf and I'm not blind, oh no
You can't get away this time, oh no

You're up and down the halls
Riding on the walls
Everybody knows it's you
Shut up, show me what you're made of

Don't tell me lies, I'm not surprised
Girls talk, who's talking about me?
You trying hard, but I'm still alive
Girls talk, stop talking about me

G I R L T A L K, the girls talk
G I R L T A L K, the girls talk

Think you're jealous much
All out up in my business
Go, I had enough
You better start running
Yeah, yeah, yeah

You're up and down the halls
Riding on the walls

Everybody knows it's you
Shut up, show me what you're made of

Don't tell me lies, I'm not surprised
Girls talk, girls talk, girls talk, yeah

Don't tell me lies, I'm not surprised
Girls talk, who's talking about me?
You're trying hard, but I'm still alive
Girls talk, stop talking about me

Stop talking about me
Who's talking about me?
G I R L T A L K, the girls talk
G I R L T A L K, the girls talk, the girls
