Got to lock my door tonight
Gonna have a party alright
All my friends are coming over tonight
Gonna have a huffin' party tonight

Got to lock my door tonight
Gonna have a party alright
All my friends are coming over tonight
Gonna have a huffin' party tonight

Chorus:
Yeah, yeah, gonna huff all night
Yeah, yeah, gonna huff all night
Yeah, yeah, gonna huff all night
Yeah, yeah, gonna huff all night

Got to lock my door tonight
Gonna have a party alright
All my friends are coming over tonight
Gonna have a huffin' party tonight
Got to lock my door tonight
Gonna have a party alright
All my friends are coming over tonight
Gonna have a huffin' party tonight

Chorus

Hey!
I wanna huff all night! (huff huff huff)
Hey! (yeah yeah yeah)
I wanna huff all night! (huff huff huff)
Hey! (yeah yeah yeah)
I wanna huff all night! (huff huff huff)
