She was from San Mateo
Her dad was in the CIA-o
She was on her way to Pasadena
But nobody says they've seen her

She's a teenage runaway
He works at the record place
Now she's got his acid baby
Tonight, tonight, hey hey hey

She don't know what to do now
The baby always has the flu now
No more looking like a queen
Overdosed on Afro-sheen.

She's a teenage runaway
Vegas ain't no place to stay
She just had to get away
Tonight, tonight

She was from San Mateo
Her dad was in the CIA-o
She was on her way to Pasadena
But nobody says they've seen her

She's a teenage runaway
He works at the record place
Now she's got his acid baby
Tonight, tonight, hey hey hey

Hey hey hey
Hey hey Hey
Hey hey hey
