I don't wanna know your number,
And I don't wanna know your name.
I don't wanna know how good you are,
'Cause to me they're all the same.

I walk the streets at night,
And I'm looking for blood.
Want instant satisfaction,
So baby, gimmie leather on leather.

Chorus:
I want leather on leather. (Leather on leather)
I want leather on leather. (Leather on leather)
I want leather on leather. (Leather on leather)

Gotta get out tonight.
Got an itch underneath my pants.
I can smell your sex from here,
So I think I'll take a chance.

I ain't looking for boredom.
I ain't looking for love.
Just looking for someone easy,
So baby, gimmie leather on leather.

Chorus (repeat 2x)

Leather on leather. (Leather on leather)
(repeat and fade)
