I can't see you in front of me  
But I know you're there  
Feel my breath on your neck  
And my fingers in your hair

Get it up, I can't relax  
Don't hold back  
You know I want it bad

Oh oh oh, I can't say no  
I lose control 'cause with you I'm like an animal  
Oh oh oh, I can't say no  
I lose control 'cause with you I'm like an animal

Just a drop from my lip  
And my heart starts to react  
Nothing bites like I do  
And I'm ready to attack

Tear it off  
I wanna feel your skin  
Take a bite  
You know it's not a sin

Oh oh oh, I can't say no  
I lose control 'cause with you I'm like an animal  
Oh oh oh, I can't say no  
I lose control 'cause with you I'm like an animal

Wild in the streets  
Don't care if anybody sees  
Don't bother saying please  
If you wanna ravage me, yeah

Oh oh oh, I can't say no  
I lose control 'cause with you I'm like an animal  
Oh oh oh, I can't say no  
I lose control 'cause with you I'm like an animal

Oh oh oh, I can't say no  
I lose control 'cause with you I'm like an animal  
Oh oh oh, I can't say no

I lose control 'cause with you I'm like an animal
