I'm ready to rip it up.
Yeah, I'm ready to let it go.
I gotta turn up the action,
And get some rock 'n' roll.

Don't got no time to waste,
I'm a rocket that's ready to blow,
'Cause I'm gonna be chasing the night,
So turn up the radio.

'Cause I'm gonna be out on the streets.
Yeah, we're gonna be out all night.
We're going to be checkin' it out,
Alright. Alright.

Chorus:
'Cause I'm gonna be outta my mind.
Yeah, I'm gonna be outta my head.
Yeah, I'm gonna be outta my mind.
Yeah, I'm gonna be outta bed.
Yeah, I'm gonna be outta my mind.
Yeah, I'm gonna be outta bed.
Tonight.

Are you ready to party with me?
Are you ready to give me some sin?
'Cause I've been waiting all night long,
So come on and stick it in.

Don't got no time to waste,
I'm a rocket that's ready to blow,
'Cause I'm gonna be chasing the night,
So turn up the radio.
