Don't wanna go to the mall
Don't wanna go to the movies
I think we've done it all
Just take me to the backseat

Don't wanna hear you talkin'
Don't wanna play your game
Let's get this baby rockin'
Just take me to the backseat

You don't wanna get high
I don't wanna get low
So come on, let's go
And get on it, yeah
Honey, please

Just take me to the backseat
Just take me to the backseat
Where no one else can see
I know you're into me
Just take me to the backseat
And get ready for me
Honey, please

Don't wanna be your friend
Don't try to take me home
This won't happen again
Just take me to the backseat

You don't wanna get high
I don't wanna get low
So come no, let's go
And get on it, yeah
Honey, please

Just take me to the backseat
Just take me to the backseat
Where no one else can see
I know you're into me
Just take me to the backseat
And get ready for me
Honey, please

Do you need a map?
Let's skip the nightcap
I'll make it sticky sweet
Just take me to the backseat

Just take me to the backseat
Where no one else can see
I know you're into me
Just take me to the backseat

Just take me to the backseat
Just take me to the backseat
Where no one else can see
I know you're into me
Just take me to the backseat
And get ready for me
Honey, please
