Oh yeah, oh yeah
Alright, well, alright
Oh yeah, well, oh yeah

Living on a jet
Making love to someone else's dreams
Say it again

She puts her leg up
And calls it good luck
Do you know what I mean?
Do you remember?
Well, I remember

Dream machine
She's so damn cool
She can turn on the night
And turn off the lights

The more that she gets
Well, the more that she needs
Do you know what I mean?
Do you remember?
Well, I remember

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love

Too fast
You're too fast for love

She's a streamline queen
On a sex craved movie screen
Say it again

She'll use her time up
Got nothing to show
Well, mark my words
Do you remember?
Well, I remember

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love

Too fast
Too fast for love
Too fast
You're too fast for love
