Don't leave me on and don't get me wrong
I can only wait so long
I'm being way too nice and you're as cold as ice
Your games are tearing me apart
It's time to finish what you start

What do I have to do to make you want me?
(What do I have to do? Hey, hey)
What do I have to do to make you want me?
(What do I have to do? Hey, hey)

The message that you send and all the rules you bend
Tell me you're more than my friend
Need your kiss of death but I can't catch my breath
Your games are tearing me apart
It's time to finish what you start

What do I have to do to make you want me?
(What do I have to do? Hey, hey)
What do I have to do to make you want me?
(What do I have to do? Hey, hey)

I've been waiting for a chance to tell you
I know you feel the same way I do
So let me do you right, that's right

Don't leave me on and don't get me wrong
You're tearing me apart
It's time to finish what you start

What do I have to do to make you want me?
(What do I have to do? Hey, hey)
What do I have to do to make you want me?
(What do I have to do? Hey, hey)

What do I have to do?
What do I have to do?
What do I have to do?
What do I have to do to make you want me?
