Sometimes you can't remember
Where you spent the night
Sometimes your best friends
Are smoking neon lights

(But I can't get it all)
Give me power, get me me up on the stage
(Have it all)
I see you howling and I'm ready to play

(Get it all)
Pretty baby
(Get it all)
You know I'm crazy
Yeah, yeah, yeah, yeah

I've got the feeling in my blood and in my bones
They've got each other tonight
But I'm still all alone when the show is over
When the show is over

Sometimes it falls apart
But you can't let it go
Sometimes you've got the drugs
And you just can't say no

(But I can't get it all)
Give me power, get me me up on the stage
(Have it all)
I see you howling and I'm ready to play

(Get it all)
Pretty baby
(Get it all)
You know I'm crazy
Yeah, yeah, yeah, yeah

I've got the feeling in my blood and in my bones
They've got each other tonight
But I'm still all alone when the show is over
When the show is over, yeah, yeah

(Get it all)
Give me power, get me me up on the stage
(Have it all)
I see you howling and I'm ready to play

(Get it all)
Pretty baby
(Get it all)
You know I'm crazy
Yeah, yeah, yeah, yeah

I've got the feeling in my blood and in my bones
They've got each other tonight
But I'm still all alone when the show is over
When the show is over, yeah, yeah

They've got each other tonight
