Wild 'N Free Wild 'N Free

Wild 'N Free Wild 'N Free

Oh! I'd never known what it was like to free

I always thought it was never true

I got a feeling I was lost in space

Did not like my face

Just wanted to be

Wild 'N Free Wild 'N Free

Like a hurricane

Wild 'N Free Wild 'N Free

Oh insanity's so insane

Wild 'N Free Wild 'N Free

I ain't got no got no got no name

Wild 'N Free Wild 'N Free

Don't want no ball and chain

Damn people telling me that I was thinking bad

Had me believing they was right

All they wanted was another slob

In some stinking job

That just ain't me I just want to be

w w w Wild 'N Free Wild 'N Free

Like a hurricane

Wild 'N Free Wild 'N Free

Oh insanity's so in so insane

Wild 'N Free Wild 'N Free

I ain't got no name

Wild 'N Free Wild 'N Free

I don't I don't want to know a ball and chain

Just then I found out I was too broke to get out

So I took to the road no one was having me

I said don't want no handouts

Cause I'm making out

You ain't like me I just want to be

uh uh uh Wild 'N Free

I tried to tell you babe but you never understood

I always tried to make you see

But you believed just what your old man said

He had you chained to his head

And its on TV TV TV TV

Want to be want to be want to be

Wild 'N Free Wild 'N Free
Like a hurricane
Wild 'N Free Wild 'N Free
Oh insanity's so insane
Wild 'N Free Wild 'N Free
I ain't got no got no got no name
Wild 'N Free Wild 'N Free
Don't want no ball and chain
Wild 'N Free Wild 'N Free
Just like a ball a ball a ball of fire
Wild 'N Free Wild 'N Free
Like it high its getting higher
Wild 'N Free Wild 'N Free
Like some bolt from out the sky
Wild 'N Free Wild 'N Free
Like some bullet
Say goodbye
