Chorus

Girl give me your love
I can't get enough
I like it when you sit that ass like a ..
Girl we ain't got to rush
I know you like it pop
But tonight we're gonna make love
I'll do anything you want
Just let the music pop
You let go with your clothes on
But baby take them off
I need your love
I think I'm in love
And I have just met you
If you're free let me know it
Clap your hands girl
You ain't have to hide it
Admit it
Understand it girl
We can make love
Just put me in your plans
I hope you're angry when you're mad
.. make me understand
You'll be shaking your hips
Backing that ass up
All over my after the club
I'll take you back to the crib
So we can get to know each other better
I'll take you to another level with me girl
Oh I like it every time you back it up
Girl every time we touch ,you
I'll be popin
Soul jams what you wanna do
Slow jams I know you're a freak
Rock the beat give me your love

Chorus

Let me see you go down down baby
Round like a roller coaster

Bring it back
I'm gonna have you yelling
Just zip a little liquor
We won't tell
What we'll gonna be doing
We're moving like we were in the club
Host it up on a , in the club
I ain't thinking about nobody else
Girls it's all about us
I'm gonna make you love
Come down girl, stay right here

Chorus

Soul jams what you wanna do
Slow jams I know you're a freak
Rock the beat give me your love

Chorus
