I could show you my life and all that matters,
If you, could show me where I've been?
I can space the hours enough to make just one day,
But with you, the hours just seem like years...

I can watch you but never be revealing,
What I think, what I feel, and I don't have time,
Cause every corner turns us round to fate we don't
know,
So what if my fate is now my crime?

And I could be in heaven, but right now feels like hell,
And if it's worth it, I need you (I need this)
But could you save me from myself?
I can see you in the only side that I know,
But can you survive on what's been said?
Cause I have taken this to high's, I cannot reach now,
And before I elevate, you've left...

And I could be in heaven, but right now feels like hell
And if it's worth it yeah I need this
But could you save me from myself?
And I could be in heaven, but right now feels like hell
And if it's worth it yeah I need this
But could you save me from myself?
And you could want, and you could know,
And you could say, that you don't feel.

And you can say that I don't want you,
And you can say that I don't feel.
And you can say that I could fall,
And you could say that I don't feel,
But I can feel...
