"Starting Over"

When I woke up this morning then I realised I'm alone
but I don't mind
'Cos I'm looking forward, looking up
I'm looking on to all the things that I call mine
Where this journey will take me I just don't know
so I'll say

I'm starting over again

So I woke up this morning with a great big smile
'Cos I know I'll be fine
'Cos I'm moving forward, moving up
I'm moving on to better things that I will find
Where this journey goes is a mystery to me
so I'll say

I'm starting over again

Where this journey will take me I just don't know
so I'll say

I'm starting over again.
