I hear your voice everywhere  
It's echoes of love  
Makin' me look back over my shoulder  
Echoes of love are started all over

Echoes of love keeps on haunting  
I'm out of control keeps on burning  
Echoes of love are out of control  
Bringing back love I used to hold

Darlin', since you went away  
Think about you every day  
So many memories  
Got to get the best of me

Recalling the times I used to hold you  
I just wouldn't do what I was supposed to  
I've done things I'd like to undo  
Now darlin' it's you I'd like to run to

Echoes of love keeps on haunting  
I'm out of control keeps on burning  
Echoes of love are out of control  
Bringing back love I used to hold

Echoes of love  
Echoes of love  
Love, echoes of love keeps on haunting  
Echoes of love  
Echoes of love keeps on burning  
Echoes of love

Echoes of love keeps on haunting  
Echoes of love  
Echoes of love keeps on burning  
Echoes of love

Echoes of love keeps on haunting  
Echoes of love  
Echoes of love keeps on burning  
Echoes of love  
Echoes of love keeps on haunting

Echoes of love  
Echoes of love
