Too many nights, I've sat around and wondered
Where can my baby be
I can't explain this feelin', how my heart's been reelin'
Or what's come over me

Ah but this much I know, if this is how it's gonna go
It's gonna be tough
Ain't no spell I'm under, it just makes me wonder
Is love enough

Is love enough to keep you happy
Is there a bottom line and can there ever be
Anyone else for you but me
Is love enough to make you mine, I've gotta know

Is love enough, is love enough
Is love enough, I said is love enough

Don't get me wrong now woman
I'm not gonna drown in misery
If you don't want what I'm givin', I'll go on livin'
'Cause somewhere there's an angel for me

But I just can't tell, is this heaven or hell
It sure is rough
So I'll ask you again, please answer me friend
Is love enough

Is love enough to move this mountain
'Cause the Lord knows I've tried and tried
No matter how strong be the weather, yeah, we'll stick
together
If love's enough to keep you satisfied, I've gotta know

Is love enough, is love enough
Is love enough, is love enough
