It's so hard lovin' you  
But I just can't let you go

Little darlin', I love you  
Little darlin', I need you  
Little darlin', I want you  
Little darlin', got to have you

And if it means givin' up my pride  
Oh, I'm gonna give it up, give it up  
There's always one who loves more than the other  
I don't mind, I don't mind

I'm willin' to pay the price  
Have your love at any sacrifice

Little darlin', I need you  
Little darlin', I love you  
Little darlin', I want you  
Little darlin', got to have you, oh

Only my pillow knows how many tears I've cried  
Only my heart knows the awful hurt I feel inside  
My life is so lonely waitin' for you to love me only  
I'm willin', darlin'

I'm willin' to pay the price  
Have your love at any sacrifice

Little darlin', I need you  
Little darlin', I want you  
Little darlin', I love you  
Little darlin', I need you  
Little darlin', I want you  
Little darlin', got to have you

Yeah, there was a time way back in your life  
When I was the only one, only one  
You'd better let this fool back in  
Or you will be the lonely one

Oh darlin', I love you

Little darlin' I need you  
Little darlin', I love you  
Little darlin', I want you

Yeah, there was a time way back in your life  
When I was the only one  
You'd better let this fool back in now  
Or you will be the lonely one  
Darlin', I love you, little darlin' I need you
