Girl, as we take a long last look at this love
Before you go baby, I've got to know
I've got to know, was it ever true?
Was it ever true?
I've got to hear it from you

Girl, I can take one more hurt in this heart
Before you go baby, I've got to know
I've got to know, was it ever true?
Was it ever true?
I've got to hear it from you

Not like before
We were lost in a whirling dance
Never slowing down
Long enough to give truth a chance
To come out
So that the light could shine in

Open your eyes
Open your eyes, baby
If it's not real, there's no reason to frown
Oh baby
Open your eyes
Open your eyes, now
Let's not let what never was bring us down

I've got to know
I've got to know, was it ever true?
Was it ever true?
I've got to hear it from you

Not like before
We were lost in a whirling dance
Never slowing down
Long enough to give truth a chance
To come out
So that the light could shine in

Open your eyes
Open your eyes, now baby
If it's not real, there's no reason to frown

Oh baby
Open your eyes
Open your eyes, now
Let's not let what never was bring us down

Open your eyes, baby
Open your eyes
Yeah yeah
If it's not real, there's no reason to frown
Yeah yeah
Open your eyes
