Darlin', I know
I'm just another head on your pillow
If only just tonight, girl
Let me hear you lie just a little
Tell me I'm the only man
That you ever really loved

Honey take me
Back in my memory
'Cause when it was all very right
So very nice
So very nice

Here, darlin' stands another bandit wantin' you
In and out your life, they come and they go, baby
Your days and nights like a wheel that turns
Gridin' down a secret part of you
Deep inside your heart
That nobody knows, baby

When you say comfort me
To anyone who approaches
Chalkin' up the hurt
We live and you learn
Well we've both lived
Long enough to know
'Cause trade it all right now
For just one minute of real love gone here

Real love
Hey baby
I need to believe in
Real love, baby
Real love gone here

When you say comfort me
To anyone who approaches
Chalkin' up the hurt
We live and we learn
Well we've both lived
Long enough to know
And we trade it all right now

For just one minute of real love gone here

Real love

Real love

Real love

I need to believe in

Real love, darling

For just one minute of

Real love, baby

Just one minute of real love
