I was ridin' down that highway Silver Harley by my side When I thought I saw my lady She was headed for the Berkely Hill Pistol on her hip in case she needed a thrill

I don't believe it Don't believe a word I don't believe it Don't believe a word

I said come on with me baby
Don't you want to ride with me
She put her hand into her bag, now
Pulled out a half pint of red eye sauce
Sneakin' 'round the corner, drinkin' whiskey from a jar

I don't believe it Don't believe a word I don't believe it Don't believe a word
