As the wind blows down the canyon
And the rain falls on the river
I can hear her song of wishes
I can feel her body shiver

Her boots are made of feathers
Flying as she runs
Across this painted desert
With a suitcase full of guns

It's a wild, wild ride
And the world goes round and round
It's a wild, wild ride
You'll go crazy from the sound

Near the old abandoned drive in
There's a brand new Motel 6
It's hard to make a livin'
And but you work to get your kicks

You don't know how you got here
But it comes as no surprise
When the rust gets in your engine
And the dust gets in your eyes

It's a wild, wild ride
And the world goes round and round
It's a wild, wild ride
You'll go crazy from the sound

Mobile to Milwaukee
Seattle to St. Joe
From Memphis to Miami
To the streets of Tokyo

Trip among the livin'
Make a circle in the sky
It's a good day for believin'
That we're never gonna die

It's a wild, wild ride
And the world goes round and round

It's a wild, wild ride
You'll go crazy from the sound

Wild, wild ride, wild
Wild, wild ride, wild, wild
Wild, wild ride, wild
Wild, wild ride, wild, wild
Wild, wild, wild, wild, wild, wild
