Mr. President, hey, this is the G Child
Spacekateers, I'm back, baby, yes, I'm back
And Mr. President you're not chillin' in the house, baby
You're not chillin' in the house
Ya know why? Huh? Huh? Should I tell ya?
You know why? Yeah
'Cuz ya, ya, ya, ya, chillin' in the shack, beeyatch

This is the shack, this is how we act
Caps I peel, flex my steel

This is the shack, this is how we act
Caps I peel, flex my steel

It's ya muthafuckin' third letter of ya alphabet
Put Knight at the individ, it's a nigga you can't get with
Funky styles, I be showin' niggaz
I be blowin' niggaz straight out they socks, because
The Dove Shack is comin' more twisted than
dreadlocks

Now plot on the shack if you wanna
But if you get caught slipping
We will be dippin' down your block
Just to street sweep your spot, nigga
But you can still follow along, grab ahold of my nut
sack
Because I've got the doja

Oh, I haven't told ya much love to my nigga Warren
He's a G, hook me, now I'm gettin' funky
I'm chillin' with my feet up on the table in the shack
With my revolver, problem solver
Waitin' for a nigga to fuck with this
So I can let his ass know who he is

This is the shack, this is how we act
Caps I peel, flex my steel

This is the shack, this is how we act
Caps I peel, flex my steel

It's the nigga 2 Scoops, the Long Beach Eastsider
Niggaz start to duck when I come 'cuz I'm a ridah
So I suggest you get the 411 on the shack
We peelin' caps to the front, then we peel 'em back
Approachin' the wrong way, with no delay I blast your
ass

Draw for the gat but the Scoop is much faster
You can't miss me with that, step in my path
I let the AK ripper cut that ass in half
I dwells, I bells, in the LBC
The real menace to society, packin' up alrighty

A flow, but watch the one I used to abuse this track
We in front of that ass and you still can't see the shack
So pack up your gear and run and hide
(And pass the coochie to the left hand side)
We comin' like that, it ain't no love for no rat
I guess that's how we act when we chillin' in the shack

This is the shack, this is how we act
Caps I peel, flex my steel

This is the shack, this is how we act
Caps I peel, flex my steel

As you enter into the zone called the G Funk
(Now relax)
Here a lie a war with the west
(Dove Shack)
Kicks it is a know 'em, rip 'em will be torn
Dip it as we flip it, wicked with the Warren G child
See styles, meanwhile freestyles have been rendered

I see the door of your mind, may I enter?
I knock and I promise I won't hurt you
The definition of G Funk is just something to like
swerve
To something to smoke herb, to sunk we and we serve
Get with the dope herb
Take a tall kid, beat the loccness

Lessons will be taught before caught in the shuffle
Flexin' all the muscle, livin' large is fuckin' rustle
I'm Simmons, I'm Robin, like givin'
I know you love this funky style
Out this world, make your head twirl
Hear the less, now play the squirrel as you earl on the
track
Who am I Bo Roc from The Dove Shack

This is the shack, this is how we act
Caps I peel, flex my steel

This is the shack, this is how we act
Caps I peel, flex my steel

'Cuz you ain't in the house, 'cuz you's in the shack
Fire up the sack, this is how we act
