I'm lying on your floor again
And I've been searching for a friend
My best behavior is appalling
And my stock just keeps on falling

I said I,
I'll get it right
I'll get it right!
No matter what I do
I, I'll make it up to you
I may not act my age
And nothing goes my way
But I, try and get it right

You said that all I do is lie
I spend all day just getting high
I'm addicted to myself
Can't make time for no one else

And I said I,
I'll get it right
I'll get it right!
No matter what I do
I, I'll make it up to you
I may not act my age
And nothing goes my way
But I, try and get it right

I, I'll get it right

I'm lying on your floor again
And I'm still searching for a friend

(One more time)
I'll get it right
No matter what I do
I, I'll make it up to you
I may not act my age
And nothing goes my way
But I, try and get it right
Right

Try and get it right
Right
Try and get it right
