Could you dig holdin' my hand?

Could you dig standin' by my side?

Could you dig it, baby?

Please let me know, 'cause I know I could love you

Know I could love you

Could you dig bein' my girl

Could you dig settin' the world on fire?

Could you dig it, baby?

Please let me know, 'cause I know I could love you

Oh won't you be my girl?

I know your heart is filled with mixed emotions

I'd give you all my love, all my devotion

Could you dig it, dig it, dig it?

Could you dig bein' mine forever?

Could you love me, love me, love me, tell me you  
would?

Please let me know, 'cause I know I could love you

Oh won't you be my girl?

Could you dig it? Oooo

(repeat & fade):

Could you dig it? Oh won't you be my girl
