"GET THE MESSAGE"

Visit "[GET THE MESSAGE](#)" on MotoLyrics.com

I can't seem to quite get through to you, baby

Looks like your reception isn't too clear

We must be tuned in to different wavelengths

You just don't hear

CHORUS:

Get the message that I'm sending

With a heartbeat never ending?

Can you hear me when you're near me?

Do you read me? Do you need me?

Please receive me, please believe me

'Cause I love you, 'cause I love you

Get the message? Get the message?

What I'm tryin' to tell you is very simple

They've been communicating this way for years

If you still don't understand what I'm saying

Just look at my tears

(repeat chorus & fade
