Jane is in a group  
And Jane's groupie loves every group  
Hurray hurrah, they shout for all the bands  
Their standing ovation is to help them catch a man

Sitting there at the show on the front row  
On the side, trying to hide, whispering, "Go, baby, go"  
Sitting there at the show on the front row  
On the side, trying to hide, whispering, "Go, baby, go"

Someone surely loves the drummer  
She jump out of the seat on every beat  
The one with the slightest smile, she loves the guitar  
She's packed for her trip no matter how far

Sitting there at the show on the front row  
On the side, trying to hide, whispering, "Go, baby, go"  
Sitting there at the show on the front row  
On the side, trying to hide, whispering, "Go, baby, go,  
baby, go"

Jane brought the tickets too  
To enjoy the show just like me and you  
So hurray hurrah, we salute all our fans  
Hurray hurrah, I hope you'll get the start

Sitting there at the show on the front row  
On the side, trying to hide, whispering, "Go, baby, go"  
Sitting there at the show on the front row  
On the side, trying to hide, whispering, "Go, baby, go,  
baby, go"

I guess we'll see you at the show  
I guess we'll see you at the show  
I guess we'll see you at the show  
I guess we'll see you at the show  
I guess we'll see you at the show

I guess we'll see you at the show  
I guess we'll see you at the show  
I guess we'll see you at the show  
I guess we'll see you at the show
