They slither while they pass

They slip away across the universe

Pools of sorrow waves of joy

Are drifting thorough my open mind

Possessing and caressing me

Jai guru deva om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Images of broken light

Which dance before me like a million eyes

That call me on and on across the universe

Thoughts meander like a restless wind inside a letter
box

They tumble blindly as they make their way across the
universe

Jai guru deva om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Sounds of laughter shades of earth
Are ringing through my open views
Inciting and inviting me
Limitless undying love
Which shines around me like a million suns
It calls me on and on across the universe
Jai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Jai guru deva
Jai guru deva
