"Half Jack"

Half underwater, I'm half my mother's daughter
A fraction's left up to dispute
The whole collection, half of the price they're asking
In the halfway house of ill repute

Half accidental, half painful instrumental
I have a lot to think about
You think they're joking? You have to go provoke him
I guess it's high time you found out

It's half biology and half corrective surgery gone wrong
You'll notice something funny if you hang around here
for too
Long ago in some black hole before they had these
pills to take it back
I'm half Jill and half Jack

Two halves are equal, a cross between two evils
It's not an enviable lot
But if you listen you'll learn to hear the difference
Between the halves and the half knots

When I let him, when I feel the stitches getting sicker
I try to wash him out but like they say, 'The blood is
thicker'
I see my mother in my face but only when I travel
I run as fast as I can run but Jack comes tumbling after

And when I'm brave enough and find a clever way to
kick him out
And I'm so high, not even you and all your love could
bring me down
On 83rd he never found the magic words to change
this fact
I'm half Jill and half Jack

I'm halfway home now, half hoping for a showdown
'Cause I'm not big enough to house this crowd
It might destroy me but I'd sacrifice my body
If it meant I'd get the Jack part out

See Jack, run Jack, run Jack, see Jack

See Jack, run Jack, run Jack, see Jack
See Jack, run Jack, run Jack, see Jack
See Jack, run Jack, run Jack, run Jack, run
