Let's get lost, fingers burst  
It is an ordinary evening, yeah  
I am broadcasting are you receiving, yeah

Sick, sick sound, all fall down  
It is a necessary evil, yeah  
Just like highway gas stations and people, yeah

I remember the golden days when all this was a  
mystery  
And you could write a letter then or god forbid come  
visit me

And if you find yourself without me?  
Can you find yourself without me?  
And if you find yourself without me?  
Can you find yourself without me?

Hey, I'm fine, fine  
You say nothing but your tongue is getting blacker all  
the time  
It is a miserable feeling, yeah  
Seven on a scale from dead to breathing, yeah

I've connected speakers to my suitors at the  
discotheques  
And they don't know the difference are they men or are  
they Memorex?

And if you find yourself without me  
If you find yourself without me  
C'mon find yourself without me  
C'mon, c'mon, c'mon  
And take your Listerine, Listerine

I remember the golden days when all this was a  
mystery  
And if you write a letter then or god forbid come visit  
me

I remember the golden days when all this was a  
mystery

And if you write a letter then or god forbid come visit  
me

And if you find yourself without me  
If you find yourself without me  
C'mon find yourself without me  
C'mon, c'mon, c'mon  
And take your Listerine, Listerine, Listerine
